Appointment and Promotions in Law College, Bangalore

47. Sri M. H. JAYAPRAKASH NARAYAN (Sirsi).—

Will the Minister for Education be pleased to state :—

(*a*) whether the incombarts working in the Government Law College, Bangalore, against Class III posts are appointed from the approved list issued by the Mysore Public Service Commission ;

(*b*) if so, whether it is not a fact that incumbants working in II Division Clerks posts have put in service ranging between 12 years and 22 years ;

(*c*) whether it is not a fact that no provision has been made in Cadre and Recruitment Rules of the said college for class III staff for promotional and other benefits ;

(*d*) whether it is not a fact that some incumbants are promoted prior and after the formation of the Cadre and Recruitment Rules, and if so, the authority on which these promotions were affected ;

(*e*) the action taken by the Government to effect suitable amendments in Carde and Recruitment Rules for Promotional benefits

to II Division Clerks as has been done in the case of other departments, may be stated;

(*f*) whether it is a fact that the existing incumbants workings as II Division Clerks are being ignored while filling up the vacancies created after the promulgation of the Cadre and Recruitment Rules and these vacancies are filled up by appointing local candidates, thus prejudicing the interests of the existing Senior Officials;

(*g*) whether it is a fact that no seniority list has been maintained so far in respect of the Government Law Colleges staff for considering promotion of Class III officials;

(*h*) whether it is a fact, that no provision has been made for promotions, appointments, etc., of Scheduled Castes and Scheduled Tribes candidates in all Cadres in the Government Law College, Bangalore?

Sri A. R. BADARINARAYANA (Minister for Education).—

(*a*) Before the cadre and recruitment Rules were framed for the college in the year 1960 all appointments were made from the approved lists of Mysore Public Service Commission. After framing of the Rules of Recruitment, the Cadre and Recruitment Rules provided for appointment by deputation from the Office of the Director of Public Instruction. As Director of Public instruction, did not depute any candidates, local candidates from employment exchange were taken.

(*b*) The II Division Clerks have put in Service ranging from 12 to 22 years;

(*c*) No provision is made in the Cadre and Recruitment Rules for promotion of Class III Staff.

(*d*) All the Class III officials were promoted to the then vacant higher posts before the issue of Cadre and Recruitment Rules. After the issue of the Cadre and Recruitment Rules in 1960, no Class III official was promoted, since there is no provision for promotion of Class III staff in these rules.

(*e*) As the Promotional opportunities to Class III staff are very limited, the college being a small unit, the Tukol Pay Commission considering this aspect has recommended to shift the liens of the Class III officials of the college to the office of the Director of Collegiate Education or that of the Director of Public Instruction. The College Advisory Committee decided to shift the liens of the Class III officials to the office of the Director of Collegiate Education. The matter is under examination.

(SRI A. R. BADARINARAYANA)

(*f*) Does not arise in view of the above replies.

(*g*) Seniority list has been maintained.

(*h*) Promotions are made on the basis of seniority-*cum*-merit.

Regarding appointments, the usual recruitment rules would apply here also.
